How did you hear about the Career Development Center? _____

Due to the volume of job postings received, the CDC is unable to research the integrity of each organization or person that lists a job vacancy. We do not endorse these companies or their services. Job listings are provided as a service. It is the responsibility of each client to verify the specific information pertaining to a job listing.

Part-time Jobs (JLD):

The Job Location and Development Program (Part-time Job Development), being a partially federally funded program, requires documentation. **I will notify the CDC if I obtain employment through the JLD program.**
