APPLICATION FOR UNDERGRADUATE DEGREE

It is the responsibility of the student to properly declare an academic program, including all majors and minors, by the beginning of the junior year. By the beginning of the senior year, the student should submit a completed Application for Undergraduate Degree to Student Records to begin the graduation check-out process. Student Records will contact the student's advisor-of-record and conduct a graduation degree audit based upon the student's declared academic program. IMPORTANT: An undergraduate student may not be graduated without completing the degree requirements listed on his/her degree audit. Once this application has been submitted to Student Records and the degree audit completed, the student will receive the official audit results via his/her Samford University e-mail. STUDENTS: If your academic program needs to be updated, please submit a completed Change of Academic Program form with this application; these forms are available in Student Records and in most academic departments. You must apply to graduate by the application deadline before a degree audit will be performed to evaluate your projected completion of degree requirements. IMPORTANT NOTE: Submission of this application is not a guarantee that you will be graduated, nor is it a certification that you have completed all requirements for graduation.

Deadlines for Application to Graduate: Fall – April 1st; Spring – October 1st; Summer – February 15th
