

Navigating The Online Registration

A Downloadable/ Printable Guide

A step-by-step walkthrough to help first-time attendees (or even veteran ones) work their way more easily through the IGHR online registration process.

First Things First...

Visit the IGHR Registration Page

A link to the online registration will be posted on the IGHR website at the time registration begins in January.

If refreshing the browser window does not help you see the link, you may need to clear the browser cache to force the browser to load the updated page (Tools > Internet Options in Internet Explorer, History > Clear Recent History in Firefox).

The printable registration form will not be offered due to the rate at which courses have filled over the past two years.

June 12-17, 2011

Registration...

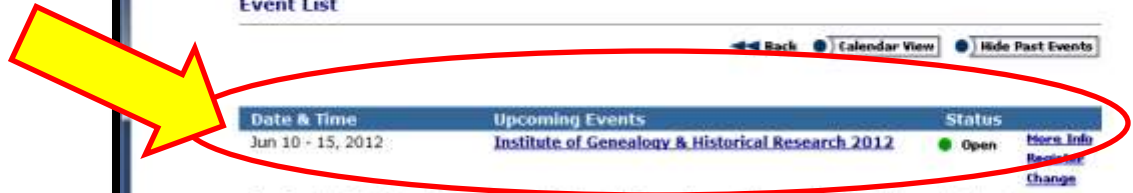

Registration for the 2011 Institute is open as of 9:00 a.m. CST on January 18th, 2011.

- **Online Registration Through 123Signup.com (click here)**
- The Printable Registration Form is no longer available due to the rate at which courses have filled.

IGHR Registration
Samford University Library
800 Lakeshore Drive
Birmingham, AL 35229
Please make checks payable to Samford University Library.

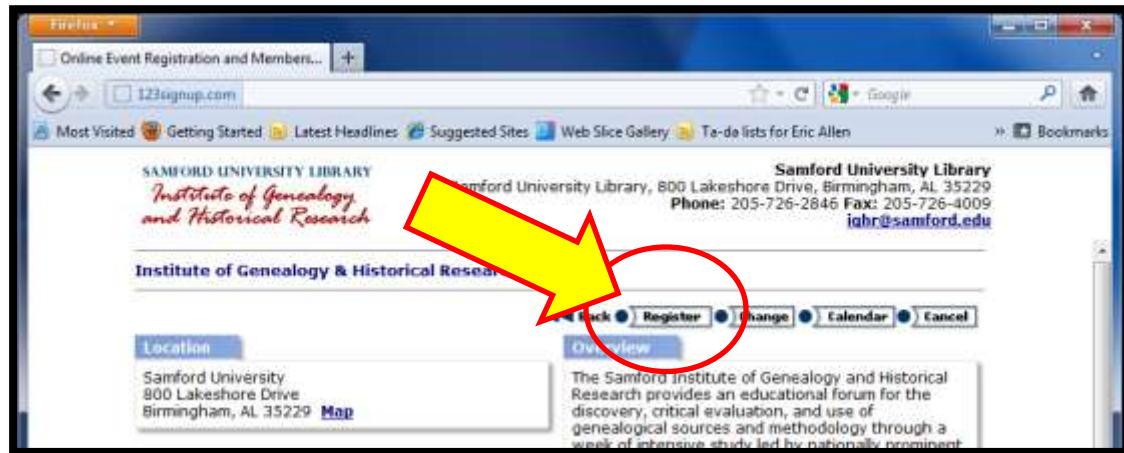

In order to prevent an overload of the online registration system, the start of registration for specific courses was staggered over the course of the morning. Click here to see the schedule. Most courses are now full; please check our main page or our courses page to be added to wait lists. **Students may place their names on up to two course waiting lists in addition to the on-campus housing list; to join a waiting list, students should provide their name, email, phone, the course(s) they are interested in, and the course they are currently registered in (if applicable).**

Once you click on the link, you will be taken to the 123Signup.com site for the actual online registration.

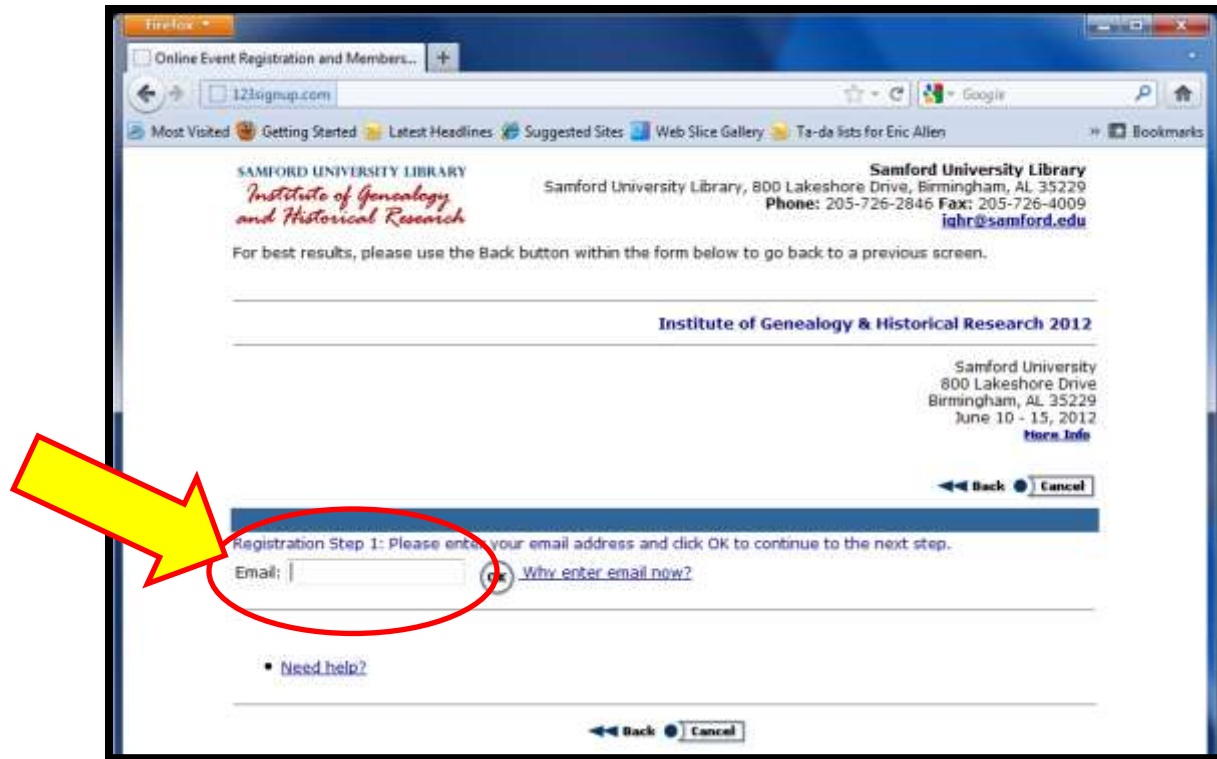

Click on the correct year. It will be at the top of the list with a green dot indicating its status as “Open.”

Click on the “Register” button. There is also an option on this page to add this event to your calendar in Microsoft Outlook should you wish to do so.

Enter your e-mail address in the field provided. This is how 123Signup keeps track of you, so it's best to enter one you use often.

Next, click on what type of attendee you'll be at IGHR.

With rare exception, you will need to select "General" unless you work for IGHR or Samford University.*

**We have access to University rosters, so we'll find out if you try to pull a fast one on us by trying to register as faculty or staff. Just sayin'.*

The screenshot shows a web browser window with the URL 123signup.com. The page header includes the logo for the Samford University Library Institute of Genealogy and Historical Research, contact information (800 Lakeshore Drive, Birmingham, AL 35229; Phone: 205-726-2846; Fax: 205-726-4009; Email: inhr@samford.edu), and a note to use the Back button. The main content area is titled 'Institute of Genealogy & Historical Research 2012' and includes a 'Registration Options' section. This section contains a list of attendee types with radio buttons: 'General' (selected), 'Samford faculty and staff and their spouses (Full-time and retired)', 'Samford Library employees', and 'IGHR faculty'. A red circle highlights this list, and a yellow arrow points to the 'General' option. Below the list are 'Back' and 'Next' buttons. The footer includes a 'Help' link, 'Registration Powered by 123Signup', and a copyright notice for 123Signup AMS, Inc.

Need A Dorm Room/Meal Ticket?

If you plan on staying on campus, indicate whether or not you would want a private or shared room.

Anyone choosing a shared room but not indicating a roommate preference will have one assigned at random.

Anyone choosing a shared room should be in good health, free of any conditions that could be spread to your roommate.

If you are staying on campus, a meal ticket is automatically included. **Please do not select a room plus a meal ticket** (even if you're really hungry).

A meal ticket offers no real savings over paying for meals as you go but is available as an option for convenience and includes a box lunch on Monday and Tuesday.

NEW THIS YEAR! We are able to offer attendees staying on campus a linens packet for use during IGHR. You'll have to return the linens on Friday and you'll still have to bring your own soap, pillow and toiletries, but you won't have to bring everything.

The Profile Information Page

If this is your first time attending IGHR (or at least your first time registering online) then we need to get some basic information about you. Don't worry, it won't take long.

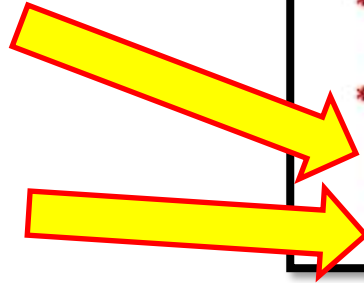

Most of these are pretty self-explanatory but there are a few that need clarification.

If you've filled this out before you can always update your information by logging in and selecting "Edit Profile."

The screenshot shows a web browser window displaying the online registration page for the Sanford University Library Institute of Genealogy and Historical Research 2012. The page includes a header with the library's name and contact information, a navigation bar with "Back" and "Next" buttons, and a "Profile Information" section. The form contains several required fields marked with a red asterisk: First Name, Middle Name, Last Name, Name for Badge (if different than First Name), Certification(s), Password, Confirm Password, Phone (Cell Phone and Secondary Email), Mailing Address (Address (cont.), City, State/Province, Zip/Postal Code, and Country), Person to Contact in Case of Emergency (Contact's Name and Contact's Phone #), and Twitter Username. There is also a section for email preferences with two radio button options. The page footer includes a "Help" link, a registration powered by 123Signup logo, and a copyright notice for 123Signup AMS, Inc.

If the name you want on your badge is different than your first name, please enter it here.

If you have any genealogy-related certifications (such as CG, CGL, etc.), please list them here. *Please refrain from listing any non-genealogical certifications.*

The Dreaded Questionnaire

No Need to Dread It!

This screen is where we get some useful information which we use to help make your IGHR experience better. All of the questions may not apply to you, but please answer the ones that do.

This is a long one as well, so we'll go over it piece by piece here too.

If you registered for Course 4
(Advanced Methodology & Evidence Analysis), select the requisite which you meet from this pull-down list.

If you registered for Course 4, you must meet at least one of the listed requirements. Please check the requirement(s) which you meet. If you choose to submit a work sample for evaluation, in lieu of meeting the class prerequisites, your registration is conditional. Your proposed paper must be submitted within 30 days of your tentative registration.

You don't have to, but we'd love to know your education, training and/or research experience. Professionals and amateurs are equally welcome at IGHR.

Telling us how many times you've attended IGHR helps us get a clearer picture of how often folks attend so we can better tailor the programs and overall experience.

The screenshot shows a registration form with two main sections. The first section, labeled '10. Please briefly describe your education, training, and/or research experience (50 word max).', contains a large text input area. A yellow arrow points from the text on the left to this input area. The second section, labeled '11. I have attended IGHR.', contains a dropdown menu. A second yellow arrow points from the text on the left to this dropdown menu. Below the form, there are navigation buttons: 'Back', 'Cancel', and 'Next'. At the bottom left, there is a 'Help' link with a question mark icon. At the bottom right, it says 'Registration Powered by 123Signup'. At the very bottom, there is a copyright notice: 'Copyright ©1998-2011 123Signup AMS, Inc.'
