

Copyright Transfer Form

The International Journal of Pharmacy Education and Practice

The copyright to this article, title _____

is hereby transferred to *The International Journal of Pharmacy Education and Practice*, effective if and when the article is accepted for publication.

The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature. In the case of the authors who are officers or employees of the United States government, *The International Journal of Pharmacy Education and Practice* recognizes that works prepared by officers or employees of the United States government as part of their official government duties are in the public domain.

Authors reserve all proprietary rights other than copyright, such as patent rights and the right to use all or part of this article in future works of their own. The authors retain the right of replication, subject only to crediting the original source of publication and receiving written permission from the publisher.

The author(s) warrants that their contribution is original and that he has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The authors further certify that none of the material in this manuscript has been published previously or is currently under consideration for publication elsewhere. Authors are fully responsible for the accuracy of their manuscripts, including references, proper credit for use of the work of others (i.e. freedom from plagiarism), figures, tables, etc. Neither the editor, nor the editorial staff, reviewers or publisher is responsible for inaccurate or misleading data, conclusions or statements. The article contains no libelous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity. The author(s) further acknowledge that if publication is approved, their names, institutions, abstract of article and other bibliographic information could appear in the International Pharmaceutical Abstracts (IPA) index.

I am the sole author of the manuscript.

I am one of the authors of the manuscript.
